- Tell a Bible story using one of these pictures.

Guess What...

The New Testament was written in the Greek language and has to be translated into English. The Greek word "λεπρός" translated "**leprosy**" described several skin diseases. People with these diseases were called "unclean" and not allowed to live with healthy people until a priest said that they were well.

Time Line

- Write this year and your name in the blanks.
- The Jews probably began to worship in synagogues during the Babylonian captivity. Write "synagogue" by the building above 600 B.C. Circle the captivity chain.
- Draw a line from the hand with "teacher" to our Teacher.
- God began the Sabbath for the Israelites when Moses was leading them to Mount Sinai. Write a number "7" near that time.
- God gave Moses the laws for the priests, telling them how they were to lead the people. Circle the priest's clothes.
- Place a ✓ beside what Jesus did that you can also do.

Apply It!

- Read Mark 1:35. What had Jesus been doing the day before? Why do you think he went off by himself? What do you think he prayed about?
- What is God saying to you for your life? Answer using the word "I" or "me."

- How often do you get by yourself and talk to God? Why is it so important that you talk to God each day?

Get Active

Find a place away from your group and use this guide to spend some time alone in prayer.

Tell God how great he is and thank him for his love for you. Thank him for Jesus.

Talk to God about the things you have done wrong and ask for forgiveness. Ask him to help you change and be what he wants you to be.

Pray for people you know who are not Christians. Pray for your family and people you know who are hurting. Pray for someone you don't like, even if they have hurt you.
